 pursuant to Sections 34 & 51
 of the Planning Act, R.S.O. 1990, c. P.13 as amended

**APPLICATIONS FOR DRAFT PLAN OF SUBDIVISION (39T-MC0204) &
 ZONING BY-LAW AMENDMENT**

OWNER: Springer Pond Developments Inc.
AGENT: Kirkness Consulting Inc.
LOCATION: 45 Springer Street, Komoka
ROLL NO.: 393900002013000

Purpose and Effect of the Draft Plan of Subdivision Application

The owner submitted a draft plan of subdivision application in 2002 (County of Middlesex File No. 39T-MC0204) for the purposes of creating lots for single-detached dwellings on the east side of Springer Street and the west side of Queen Street in Komoka. The proposal also included the creation of future development blocks on the north side of Glendon Drive (County Road 14). The applicant has decided to withdraw the subdivision proposal for that portion of the property along Queen Street and Glendon Drive (County Road 14) and is at this time pursuing development approvals for land along Springer Street.

The purpose and effect of the amended draft plan of subdivision application is to facilitate the development of eight lots for single-detached dwellings (shown as Lots 1-8 on the attached draft plan of subdivision) and two lots that would accommodate semi-detached dwelling units (shown as Lots 9 and 10). The lot line separating the two semi-detached dwelling units is proposed to be established along the dividing wall of an existing single-detached dwelling and an attached garage at the residence known municipally as 45 Springer Street. The lots proposed to accommodate single-detached dwellings would have lot frontages of 21.4 metres (70.2 ft) and lot areas of 978.4 square metres (0.24 ac). The lots proposed to accommodate the two semi-detached dwelling units would be comprised of the following: Lot 9 – lot frontage of 19.91 metres (65.3 ft) and lot area of 910.3 square metres (0.22 ac); Lot 10 – lot frontage of 16.46 metres (54 ft) and lot area of 752.6 square metres (0.19 ac).

In accordance with Section 51(19.1) of the Planning Act, R.S.O. 1990, c. P.13, as amended, the County of Middlesex, being the approval authority for proposed plans of subdivision, has previously deemed the application for proposed plan of subdivision to be complete for the purposes of Sections 51(17) and 51(18) of the Act.

Purpose and Effect of the Zoning By-law Amendment

The purpose of the zoning by-law amendment is to rezone the subject land from site-specific Urban Residential First Density (UR1-3) to a site-specific Urban Residential First Density (UR1-#) in order to permit the development of Lots 1-8 of the above-noted draft plan of subdivision and a site-specific Urban Residential Second Density (UR2-#) zone in order to accommodate Lots 9 and 10. The site-specific details of the two zones being proposed are provided below:

	UR1-#	UR2-#
